Antidote to eliminate non-vertu and transgression

Refuge

I take refuge in the holy glorious spiritual masters, the root and lineage masters, the kind lords of the aryas spiritual assembly: source of eighty four thousand teachings which bring together in a unique form all of the enlightened activities and all the qualities of body, speech and mind of the tathagatas of the three times and the ten directions.

I take refuge in the spiritual master,
I take refuge in the Buddha
I take refuge in the Dharma
I take refuge in the Sangha (3x)

I take refuge in the deities and the multitude of gods and goddesses
in their mandalas, and their entourage.
I take refuge in those who possess the eye of wisdom, the holy protectors,
glorious and watchful; who protect the teachings.

I go for refuge until I am enlightened.
To the Buddha, the Dharma, and the Supreme Assembly.
Due to the two accumulations gathered by my practice of giving
and other perfections,
May I become a buddha to benefit all sentient beings (3x)

The four immeasurable thoughts

May all sentient beings have happiness and the causes of happiness.
May all sentient beings be free of suffering and the causes of suffering.
May all sentient beings never be separated from the supreme bliss which
is without sorrow.
May all sentient beings abide in equanimity, without attachment
or aversion.

Generate regret

To you perfect bouddhas and bodhisattvas,
Who abide in all directions,
To all of you, who are endowed with great compassion
With folded hands, I make requests.

I sincerely confess all of the non-virtuous actions
I have committed or that I have encouraged others to do
In this life and in other lives
Throughout beginningless samsara.

I also confess the negative actions I have rejoiced in committing
Due to overwhelming deluded ignorance.
I acknowledge these faults
And sincerely confess them all.

And everything I have done against the Three Rares and Sublimes,
Against my father, my mother, my master, and other beings
Influenced by negative emotions
Of body, speech and mind.

I, the guilty one
Of numerous faults due to attachment,
Whatever terrible negative karma I have committed,
All of this I confess to the saviours.

Seven-limb prayer

To the buddhas of the three times as many as they are
Abiding in the worlds of the ten directions,
To all of them, with a sense of deep respect,
With body, speech, and mind, I bow down.

With the energy of the prayer of aspiration for the excellent conduct,
I imagine before me all the victorious ones
And with as many bodies as atoms in the buddhas fields,
I bow down before them with respect.

On every atom are buddhas numberless as atoms,
Each amidst a host of bodhisattvas,
And I am confident the sphere of all phenomena
Is entirely filled with buddhas in this way.

With infinite oceans of praise for you,
And oceans of sound from the aspects of my voice,
I sing the breathtaking excellence of buddhas,
And celebrate all of you gone to bliss.

Beautiful flowers and regal garlands,
Sweet music, scented oils, and parasols,
Sparkling lights and sublime incense,
I offer to you victorious ones.

Fine dress and fragrant perfumes,
Sandalwood powder heaped high as Mount Meru,
All wondrous offerings in spectacular array,
I offer to you victorious ones.

With transcendent offerings peerless and vast,
With profound admiration for all the buddhas,
With strength of conviction in the bodhisattva way,
I offer and bow down to all victorious ones.

Every harmful action I have done
With my body, speech, and mind

Overwhelmed by attachment, anger, and confusion,
All these I openly lay bare before you.

I lift up my heart and rejoice in all positive potential
Of the buddhas and bodhisattvas in ten directions,
Of solitary realizers, hearers still training, and those beyond,
And of all ordinary beings.

You who are the bright lights of worlds in ten directions,
Who have attained a buddha's omniscience through the stages
of awakening,
All of you who are my guides,
Please turn the supreme wheel of Dharma.

With palms together I earnestly request:
You who may actualize parinirvana,
Please stay with us for eons numberless as atoms of the world,
For the happiness and well-being of all wanderers in samsara.

Whatever slight positive potential I may have created,
By paying homage, offering, and acknowledging my faults,
Rejoicing, and requesting that the buddhas stay and teach,
I now dedicate all this for full awakening.

The foundations of all good qualities

The foundation of all good qualities is the kind and perfect, pure Guru;
Correct devotion to him is the root of the path.
By clearly seeing this and applying great effort,
Please bless me to rely upon him with great respect.

Understanding that the precious freedom of this rebirth is found only once,
Is greatly meaningful, and is difficult to find again,
Please bless me to generate the mind that unceasingly,
Day and night, takes its essence.

This life is as impermanent as a water bubble;
Remember how quickly it decays and death comes.

After death, just like a shadow follows the body,
The results of black and white karma follow.

Finding firm and definite conviction in this,
Please bless me always to be careful
To abandon even the slightest negativities
And accomplish all virtuous deeds.

Seeking samsaric pleasures is the door to all suffering:
They are uncertain and cannot be relied upon.
Recognizing these shortcomings,
Please bless me to generate the strong wish for the bliss of liberation.

Led by this pure thought,
Mindfulness, alertness, and great caution arise.
The root of the teachings is keeping the pratimoksha vows:
Please bless me to accomplish this essential practice.

Just as I have fallen into the sea of samsara,
So have all mother migratory beings.
Please bless me to see this, train in supreme bodhichitta,
And bear the responsibility of freeing migratory beings.

Even if I develop only bodhichitta, but I don't practice the three types
of morality,
I will not achieve enlightenment.
With my clear recognition of this,
Please bless me to practice the bodhisattva vows with great energy.

Once I have pacified distractions to wrong objects
And correctly analyzed the meaning of reality,
Please bless me to generate quickly within my mindstream
The unified path of calm abiding and special insight.

Having become a pure vessel by training in the general path,
Please bless me to enter
The holy gateway of the fortunate ones:
The supreme vajra vehicle.

At that time, the basis of accomplishing the two attainments
Is keeping pure vows and samaya.
As I have become firmly convinced of this,
Please bless me to protect these vows and pledges like my life.

Then, having realized the importance of the two stages,
The essence of the Vajrayana,
By practicing with great energy, never giving up the four sessions,
Please bless me to realize the teachings of the holy Guru.

Like that, may the gurus who show the noble path
And the spiritual friends who practice it have long lives.
Please bless me to pacify completely
All outer and inner hindrances.

In all my lives, never separated from perfect gurus,
May I enjoy the magnificent Dharma.
By completing the qualities of the stages and paths,
May I quickly attain the state of Vajradhara.

Generation of the deity

All external and internal phenomena are illusory and like a dream,
As the reflection of the moon appearing on a clear lake.
Samsara and nirvana have no inherent existence,
The law of cause and effect and the dependant arising are infallible.

A star, a visual aberration, a flame of a lamp,
An illusion, a drop of dew, or a bubble,
A dream, a flash of lightning, a cloud or the veil of cataract,
See conditioned things as such!

OM SOBHAVA SHUDDA SARVA DHARMA SOBHAVA SHUDDO
HAM

I myself and all appearances become empty.

Out of the void, above the crown of my head, appears the seed syllable PAM. From PAM appears a eight-petalled white lotus, in the center of which is the syllable AH, which transforms into a moon disc. In the center of the moon disc stands the seed syllable HUM. From HUM appears a white five-pronged vajra with a HUM at its center.

Rays of light emanate from HUM, come back and transform HUM into Vajrasattva.

Vajrasattva's body is white. He has one face and two arms.

His legs are in the vajra posture and he holds a vajra and a bell.

At the crown of his head in a OM, at his throat a AH and at his heart a Hum. From HUM at his heart rays of light shine forth inviting the wisdom deities.

Offerings to Vajrasattva

DJA HUM BAM HO

The wisdom beings and Vajrasattva become non dual.

Once more rays of light shine forth from the HUM at the heart of Vajrasattva, inviting the empowering deities in front of me.

Offerings and requests to the initiation deities

OM VAJRA KULA SAPARIVRA ARGAM, PADYAM, PUSHPE, DUPE,
ALOKE, GENDE, NAIVIDYA, SHAPTA PRATICHA HUM SVAHA

I request the tathagatas to bestow the initiation

OM SARVA TATHAGATA ABISHEKATA SAMAYA SHRIYE HUM

The initiation deities hold aloft the vase filled with wisdom nectar and bestow the empowerment. Vajrasattva's body is filled with wisdom nectar. Akshobhya becomes his crown ornament and all the initiation deities dissolve into him.

Mandala offering

This ground, anointed with perfume, strewn with flowers,
Adorned with Mount Meru, four continents, the sun and the moon:
I imagine this as a buddha-field and offer it.
May all living beings enjoy this pure land!

The objects of my attachment, aversion and ignorance –
Friends, enemies, strangers – and my body, wealth, and enjoyments;
Without any sense of loss I offer this collection.
Please accept it with pleasure and bless me with freedom from
the three poisons.

IDAM GURU RATNA MANDALA KAM NIRYATAYAM

Praise

Merely thinking of just your name
Eradicates all obstacles and immediately purifies all negative karma.
Thus, to you unsurpassed Vajrasattva,
I make prostration.

Purification

I request Bhagavan Vajrasattva to purify me and all sentient beings my mothers, from all negative karmas and broken samayas.

On a moon disc in the heart of Vajrasattva is the syllable HUM surrounded by the hundred syllables mantra. From the mantra, rays of light shine towards all beings, purifying all their negative karmas and non-virtues. The rays of light request the blessing of the mind of the buddhas and bodhisattvas of the ten directions in the form of white rays of light and nectar. The white rays and nectar dissolve in the mantra rosary at the heart of Vajrasattva. The nectar flows down and fills my body purifying all the broken samayas, the negative karmas, the non-virtues and the obscurations.

Mantra recitation

Recite the following mantra seven times by visualising that the nectar fills our body from the head to the feet. Then recite again seven times by visualising that the nectar fills our body from below. Finally recite it seven times by visualising that the nectar purifies instantaneously all our negative karmas, as if at our heart a very bright light was shining.

Through the ignorance of not understanding,
I have degenerated and transgressed my samayas.
Please protect me
You the main vajra holder,
Whose essence is great compassion.
To you Vajrasattva I go for refuge.

Visualise that replying to [our prayers] Vajrasattva says :

« Ô child of the lineage, your obscurations, non-virtues, damaged and broken pledges are completely purified. »

Saying these words, Vajrasattva on the crown of our head dissolve into us.
Our body, speech and mind and the body, speech and mind of Vajrasattva
become indivisibles.

Dedication

Whatever white virtues I have created, I dedicate as causes
Enabling me to uphold the holy Dharma of scriptures and
insights
And to fulfill without exception the prayers and deeds
Of all the buddhas and bodhisattvas of the three times.

By the force of this merit may I never be parted
In all my lives from the four wheels of the Mahayana vehicle,
And may I reach the end of the journey along the paths
Of renunciation, bodhichitta, the pure view, and the two stages of
tantric practice.

For as long as space remains,
For as long as sentient beings remain,
Until then may I too remain
To dispel the miseries of the world.
